Good morning Plankton,

I am writing to apply for the Fry Cook position at the Chum Bucket. I am 16 years old and I recently finished my ESO studies. I speak Catalan, Spanish and English, and I am very motivated to start working in a restaurant.

I have been cooking since I was 10 years old, and I enjoy cooking all kinds of food. I like learning new techniques and improving every day. I am a responsible, disciplined and punctual person, and I always keep my work area clean and organized.

I believe I am a great candidate for this job because I can cook, follow recipes, keep the kitchen clean, check ingredients, and work fast during busy hours. I can also adapt to different work schedules.

I would be very happy to join the Chum Bucket and grow as a cook. I am available for an interview whenever you need.

Good morning,

I am writing to apply for the tasting position at Flavor Hunters. I am 16 years old and I recently finished my ESO studies. I speak Catalan, Spanish and English, and I am very motivated to work in a company that tests and evaluates food. I enjoy trying different dishes and learning about new flavors.

I think this job fits me very well because I like tasting many types of food and I am open to discovering new ingredients and combinations. I also understand that the employee must "evaluate flavor, appearance, and price", and I feel confident doing this in a clear and honest way.

I am a responsible, disciplined and punctual person. I always keep my work area clean and organized, and I can follow instructions carefully. I enjoy learning new things and I adapt easily to different schedules. I also like working with other people and sharing opinions respectfully.

I would be very happy to join Flavor Hunters. Thank you for your time and consideration. I am available for an interview whenever needed.
