Personal profile

I'm 16 years old and I'm polite, sociable, and fun. I enjoy cooking, entertaining, being active, and playing sports.

I want this job to raise money for my future and gain work experience.

I'm currently a student at the Comarruga school, in my fourth year of secondary education.

So I don't have any work experience, but I've often looked after my neighbor Carmen's daughters, as she travels a lot.

I'm resourceful and quick-thinking when needed, and I'm very meticulous with my work. I'm a perfectionist and a good cook.

I speak Spanish and Catalan perfectly and I also have a good level of Italian, French and English.
