

Company:

Afton Services is a residential, commercial, and industrial electrical contracting company specializing in installation, maintenance, and repair of electrical systems. We are committed to delivering safe, reliable, and high-quality electrical solutions to our clients.

Job Details:

Position Title: Electrician

Department: Electrical Operations

Reporting Manager: Operations Supervisor (Michael Afton)

Boss: William Afton

In this role, your main duties will include:

- Installing, maintaining, and repairing electrical systems and wiring.
- Inspecting electrical components such as transformers and circuit breakers.
- Diagnosing electrical issues using testing devices.
- Reading and interpreting technical diagrams and blueprints.
- Ensuring compliance with electrical safety regulations and building codes.
- Performing routine maintenance and emergency repairs.

Compensation:

Base Salary: €24 per hour

Pay Frequency: monthly

Bonus Structure: Performance-based bonus of up to €2,500 annually, plus overtime pay at 1.5x the hourly rate.

Logistics:

Starting: June 1, 2026

Work Schedule: Monday to Friday, 8:00 AM – 5:00 PM

Work Location: Main office or client locations

To qualify for this position, candidates must have:

- A high school diploma or equivalent.
- A certified electrician license.
- At least 2 years of experience in electrical installation and repair.
- Knowledge of electrical systems, tools, and safety procedures.
- Ability to read technical plans and diagrams.
- Good problem-solving skills and attention to detail.
- Physical ability to work in different environments and lift equipment.
